Because we all share
this small planet Earth,
we have to learn to live
in harmony and peace
with each other
and with nature.

That is not just a dream,
but a necessity.

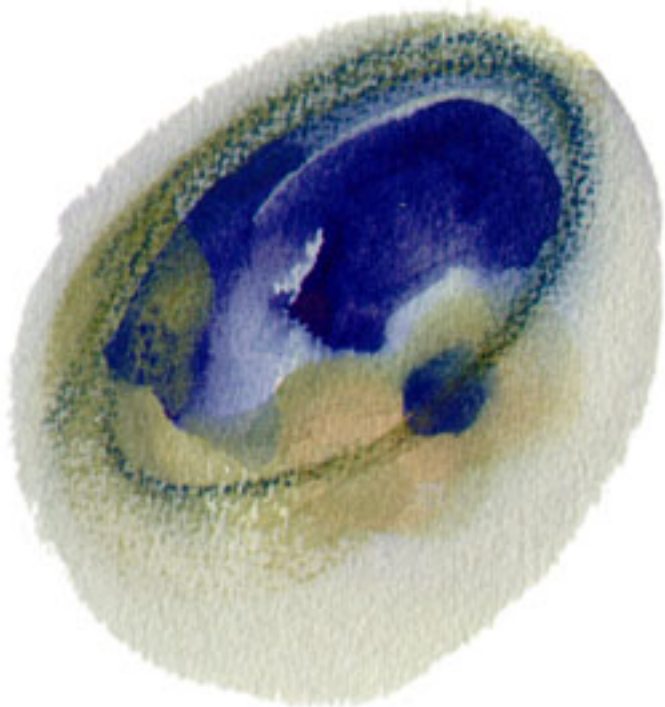

The Dalai Lama

*We must be prepared
to make the same heroic sacrifices
for the cause of peace
that we make
so ungrudgingly
for the cause of war.*

*There is no task
that is more important
or closer to my heart.*

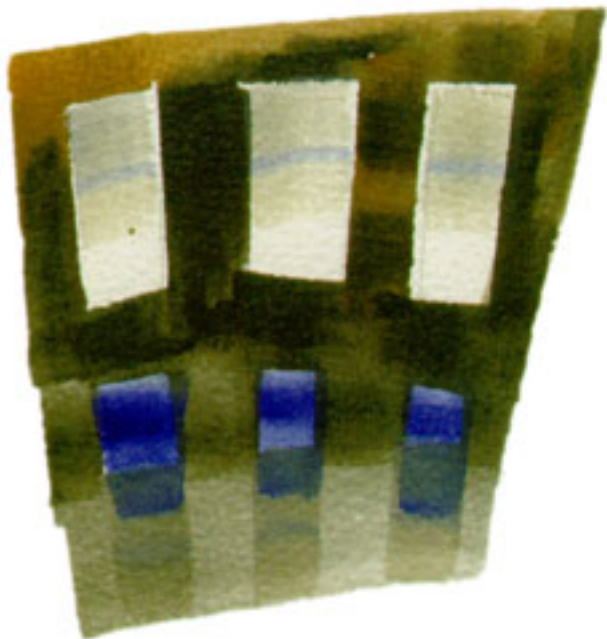

Albert Einstein

*Because we all share
this small planet Earth,
we have to learn to live
in harmony and peace
with each other
and with nature.*

*That is not just a dream,
but a necessity.*

The Dalai Lama

*If you and I
are having a single thought
of violence or hatred
against anyone in the world
at this moment,
we are contributing
to the wounding
of the world.*

Deepak Chopra

*For unto us a child is born
and his name shall be called ...*

Prince of Peace.

The Bible

The Prophet Isaiah

from war to peace.*

our world
our universe.*
